

MARTIN CONTROL

& Equipment Company

Honeywell

THE POWER OF **CONNECTED**

Check out their website! →

EMERSON

Innovative Measurement and Analytical Technology

- Combustion Analyzers
- Pressure, Temperature, and Flow
- Flame and Gas Detection

← Check out their website!

A-T Controls

- Extensive inventory for short lead times
- 2 and 3 piece ball valves
- Trunnion Mounted Ball Valves
- High Purity Valves
- High performance butterfly valves
- Exotic materials in stock

TRIAQ

Service

Experienced Burner, Boiler, & Instrument Technicians

- Burner tuning, troubleshooting, startup
- NFPA 85/86 safety checks
- Boiler tuning and calibration
- MACT testing & reports
- Instrumentation calibration

Integration

Complete Control System Design, Checkout & Startup

- Burner Management Systems
- PLC / HMI Design & Programming
- Fuel Train Assembly
- Equipment Repairs & Inspections
- Custom Panel Shop

TOSHIBA

Pressure

- Differential Pressure Gauges
- Differential Pressure Switches
- Pressure Transmitters
- Pressure Switches
- Pressure Gauges

Level

- Level Indicators
- Level Transmitters
- Level Switches
- Level Pump Controllers
- Level Transducers
- Radar Level Transmitters
- DP Level Transmitters

Temperature

- Thermocouples & RTDs
- Thermometers
- Temperature Switches
- Temperature Sensors
- Temperature Transmitters

Flow

- Flow Meters
- Flow Transmitters
- Flow Sensors
- Mass Flow Meters
- Flow Switches
- Coriolis Meters
- Vortex Meters
- Magnetic Flow Meters
- DP Flow Meters

Valves

- Slide Gate Valves
- Globe Valves
- Control Valves
- Ball Valves
- Angle Seat Valves
- Butterfly Valves
- Sanitary Valves
- Valve Positioners
- Shutoff Valves

Control Cables

- Instrumentation Cable
- Thermocouple Cable
- Fiber Optic Cable
- Communications Cable
- Portable Power Cable
- Motor Lead Wire
- Hookup/Panel Wire
- Grounding Systems
- Wireless Solutions
